Set high in the foothills of guard-gated Anthem Country Club, this Summerwind model sits on a premium homesite with city lights out front and hillside sunsets out back. The popular floorplan feels soft and warm, with 10-foot ceilings and well-placed windows that let natural light pour in while framing the views. Pride of ownership shows throughout, with quality craftsmanship, stone-pattern tile, plush carpet, two-tone paint, LED lighting, architectural accents, stylish window coverings, and many thoughtful updates. The kitchen is made for serious cooking, with a Viking 6-burner cooktop under a matching hood, a pot filler, plus Samsung built-in smart ovens with microwave, steam, and air-fry functions. Granite counters, glass subway tile, and roll-out cabinetry complete the space, while the island adds a veggie sink. With its breakfast bar, the kitchen opens to the great room, anchored by a split-face stone fireplace. The primary suite is a quiet retreat with views, blackout shades, a custom walk-in closet, and a separate wardrobe. The spa inspired bathroom features an oval soaking tub along with a seamless glass shower fitted with body jets. Convenience items include new Rachio smart irrigation, a tankless water heater with circulating pump, a water softener, Ecobee thermostats, restored HVAC systems, and Alexa readiness. The oversized garage has room for a golf cart, with mini-split climate control, epoxy floors, and
